Compressor details

HPC KAESER model: M	Material and serial no.:
Date commissioned:	Current operating hours:

(Applicable only for new machines with registration up to 12 months after delivery and prior to the first scheduled maintenance)

☐

YES, I would like to benefit from HPC KAESER AIR PROTECTION MOBIL and to receive a scheduled maintenance appointment for the necessary service work when the recommended service interval is reached, or at least once per year.

The extended warranty is valid only if the recommended service work is performed.

I am **not** obligated to have this service work performed. However, I understand that the extended warranty becomes invalid if this service work is not performed.
